

Newsletter

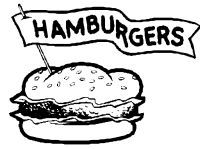

June 2007

Hi and welcome to our
**Summer
Newsletter.**

Committee Meeting

Just a note to all the Committee members that our next meeting is to take place on **Monday 18th June at 7.30 p.m.** Look forward to seeing you all there.

SUMMER MADNESS BBQ

Yes it is time again for our **Summer BBQ** which is to take place on **Tuesday evening 26th June** - no need to have your tea come and join us for a Hot Dog etc.

Friday 13th July

We are looking for **volunteers** to help out on this evening as we have a corporate event. Please

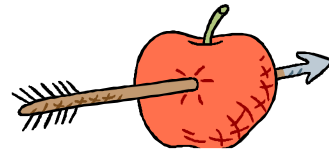

let a committee member know if you are available.

JUNIOR REP

Just like to let everyone know that Alice Pooley is now our new Junior Representative.

CONTAINER SPACE

Is there anybody out there who has space where they live to store a container for us as we are looking into buying a new container to keep summer equipment in but we need somewhere to store it. Contact John Dunster if you have any space.

Club Arrows - We now have two boxes for club arrows. One box is for the arrows we use on the shooting nights and the other box is for placing broken arrows in so that

they can be mended. So if you see arrows with broken fletches etc please **do not** place them back into the good arrows box but into the broken arrows box. Thanks.

Please note we now have the use of the top field so on a shoot night if you fancy a clout shoot this is a good place to do it.

Historic Supplies

Fancy an authentic hand stitched quiver, pouches or arm protector then why not visit the craft centre at Shugborough or visit www.historicsupplies.co.uk
